EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. M. Peirce on 12/22/04.

The application has been amended as follows:

In the last line of claim 1, after the word "clothing the following words have been added:

- (g) an on/off button located on the front surface of the patch,
- (i) a power light located on the front surface of the patch;
- (j) an audio element located within the patch;
- (k) a speaker located on the front surface of the patch;
- (l) operating instructions located on the front surface of the patch.

Claim 2 has been cancelled.

In claim 3, the dependency has been changed from "2" to --1--

The following is an examiner's statement of reasons for allowance: the claimed invention is allowed because the prior art of record does not teach or fairly suggest a heating element for providing heat to an individual's body in combination with item of
